

Lumberton May 1 1870

Dear Mother

you will be disappointed in
this instead of one. but I do not feel
small & can not get any money until
tomorrow it will be the last of the week
so I will not come this week, but
if Monday you may look out for me unless
a storm prevents & it will get a
little further in money of course more
lucky as this week is hardly in money
it looks to me like a storm tomorrow
so content yourself this week & we will
see what we can do

your Mother
