Bro Jonathan,

We want a first rate man as a Missionary in this county. Have you such an one in your Class not already engaged? At our Asso. yesterday, it was the general opinion that we ought to have a new district for, soon as possible or the Head of the Tide — & make an early move to do something on the two Meeting Houses Frankfort & Prospect. Also to move in Swanville, & make its line. I hold in my hands a ~~can~~ blank commission for six months to fill when we can find the right man. Or if funds be in can be divided for 2 men. You have been so long in this Co. that you know what kind of a man we need. Can you point me to one?

Rather than we shd fail of a Missionary if you will send us Swasey, or some other energetic man to teach our school, I would, as much as I desire you shd take it, relinquish the engagement. I think you would be just the man for a Missionary in this Co. It is only here, & there one who can make parishes out of such materials as we have here. I believe God has blest your visits the requisite talents. I have visited me & let me
