

Portland June 10th 1847

Messrs P. Lenoir & Son

I reached

this City to day & the reason you hats
were not sent in season as per order
was because they happened to be out when
the order was received; they will be
sent to night per mail and if the
expense is any more than by boat I
will allow it! go out in to night to
mail Yours respectfully

J. M. Locke
