

which I must inevitably make against Mr  
Welch. You did once promise me that  
those charges made against you in the  
Paul Harvey suits, & that the Hanson  
suits should be adjusted. I am willing  
to adjust them separately, & wish you  
would do it, <sup>even</sup> if the others cannot be.

This suit ought to be in the County of  
Oxford. & I cannot bring it there unless  
I can find some person to trustee, as being  
indebted on account to Mr. Welch.  
My object in writing this letter to you is  
to see, if you will not name to me some  
person, who would be trustee for Welch in  
Oxford County. As it will be much better  
for Mr Welch as well as me to have the  
suit in Oxford County.

Yours with respect
