

Would not M. S. M. Taylor alias The Old Historian  
be proud of such a wife? would not my  
venerable grey headed Father be proud of such  
a daughter & would not the inhabitants of my  
own Green Mountain State be proud of such  
a Poetess - My heart answers too true -

God grant that I may be worthy of such a jewel  
Give my respects to all our friends & send  
me a copy of every new poem which claims  
emanation from thy gifted pen & write me next  
mail at this place - adieu for the present  
Yours & Hers - M. S. M. Taylor
