Gentlemen

The demand you have
against our town for assistance
rendered Jesse Luce & Family we have
neglected to settle, Gen Goodridge one
of our board I understood him to say
called on one of your board to settle
but for some cause did not settle
some one of our board will call
as soon as convenient and adjust
the same probably Mr Shaw will
call the first time he passes up
to the Lake as he has business
that way we wish you to make no
cost on the same

Respectfully yours
