

Sabra & Thomas Coombs has got
home and wants to see you very much
and Fred has gone to Boston William
Condley and his wife sends there love to you
they are very proud of the girl but Stephen
is so proud that Annah says that she doesn't
know what to do with him don't you think
that he is quite a pair James has ~~been~~ not been
to see it yet and know it is a weak old it was
bored last Monday night he is as old as he can be
Dear Brother and Sister you must excuse
my poor scribbling for now it is now most
believe time from your Sister Sarah F. Collins
to E B and I B Sarah W
guess the rest if you care that is all it out
to be had it not

As often these times you
See in friendship cast a thought
On me and if long years
Separate us rove let friendship
Still unite our soul

Of all that decks the fields
And bow thou art the fairest
Sweetest flower then dearest
Sister let not me in thy kind
Heart forgotten be Sarah F C
