

Franklin, Maine
Monday Morning 4th June 1849
R. F. Gerrish, Esq. Sir,

Your favor of
28th. returned is before me -
It will not be necessary for
you to keep each freight of
lumber separate - In the course
of a few days I will send you by
mail, Bills of Lading for another
cargo of Boards, Sashes & Pine Planks - I
expect to leave here on Wednesday
next, so as to be at home on the
following Saturday, at which time
I will make arrangements so
as to put upon ice funds to
pay freight on whatever I may
ship & consign to you -

Yours Truly
J. S. Lawrence
