

As you have something to do in the way of "Hole" - can you inform me
what relation Miss May is to Mrs. Widow Cook of Guilford - I
became quite well acquainted with her formerly when there - I have
heard a very good ^{report} of your school of course, why should I not con-
duct with such spirit - I saw one of your scholars
at Prospect Miss Steward

I hear that Brotherton, is at Prospect & Guilford
By the way - When I read that Mr. Bates had sent me a
dollar & I gave it back to him letting him to give it to you
supposing he would see you before I should - but I might have
sent it to you - I suppose however you will pay for your ^{share} of it
