

quite a great sag in Waterville Besides Commencement there are
two conventions & a circus there is to be a general turn out I
think I shall not go I might have gone if I chose The folks here
are about nose picking When are you coming down? you must
excuse me for not writing as soon as I promised Mother was gone
and I wanted to hear from Edward He received papers from them
last night I presume they are well as they did not write I received
your letter by Thacker Monday we were very glad to hear from
you you must come down soon we want to see you very much
I understand that Miss Fisher is coming to Augusta again she is
in Mass she is with her sister who is very sick I heard she was
not expected to live you must not let any one see this letter for
they will not think much of the school marm if she does not
better than this Mother sends her love to all Give my love to
Aunt and all the family reserving a share to yourself I will draw
to a close for I have another letter to write

You will please excuse my bad
writing for I am in a hurry
I

From your Niece
Susan

Edward said he thought you might
have written to him from Boston
if nothing more when you were
there please write to him and
me
