J. A. Milliken Esq

Your of 18th is recd enclosing your

Acct. I find our Acct very nearly agree after ending you
with acc. the so cut policy which I have done otherwise
that rule was received in May 1848 I supposed I had
notified you but as I did not I have complied with the
rule hereafter Acct will receive pay for policy in
full for their compensation - The Account be accpt - We
Allen. if it can be collected I wish you would hand it to
some good Lawyer & let him attend to it you can hand it
to him in my name if you choose acc. dated in this
sense from this time it was done. I think I put
my acct a few days since if not I will if desired.

Respectfully
To W. A. Allen
