

Gardiner Dec 21 - 1846

Dear Sir

The mill is going & you
can have 2 Loads as soon as
you send for it, I will see
that tis ready - But will bring
40 cts here cash - Should you
send some of Mill Rice & selling
them, being a heavy in Mrs P's family
a Christmas's gathering we should
be up till after Christmas, love & all
my very kind, the News for a while
will probably tend at least to keep
up prices ^{in Portland} of that advance tho. I see
by this morning's papers that Tyrill
is caught at last in N. O. day,
It looks rather warlike in Eng as
was in Washington, but I hope
it will all end in smoke

Respectfully

A. W. Yates
