Hallowell, April 7, 1840

Your letter enclosing
policy on your store & goods surrendered,
was received April 3d, and the Directors
have instructed me to return you de-
posite note & pay to your order the
premium money (less 5 per cent.) in
fifteen days from the day when your
policy was surrendered. The object of the
delay is to ascertain if any losses
on our risks occurred previous to
the day when the surrender was made.

Yours truly

H. K. Baker
Levy, Gold & Co.
