

Pittston June 4 1847

Mr Chadbourn

Dear Sir

Yours of the 31
came to hand I had to send to Augustus to know
what to write you or I should have answered you
before I will say that the man is sawing them
^{plank} & has been for some days & says that they will
be ready the 14th of the present month
I want you to take them at the mill
at the Dam at Augustus the plank are
laid where they can be run into a gundle low
or rafted handy

yours in haste

Theodore Ripley

you had better be
here when the plank are
taken away so as to see to your
satisfaction &c
