

week for the County of Somerset on the first Tues-
 day of November 1823 I recovered Judgement
 against Albert Hayford of North Salem, for
 the sum of \$20.63 debt and \$12.59 Cost of suit
 \$100 for 4 Exors issued upon said Judgement which
 Debt I should be glad to get or a part of it -
 Now if from these minutes you will make a
 writ and get some faithful officer to attend
 to the same, I will give you 25 per cent on all
 you can collect of him and you may settle
 with him, if he will pay fifty per cent of what
 is now due on said Judgement Provided you
 can not secure more - Secure it in any thing
 that will be of service to you and me - I do not
 wish you to make out for me to pay -

If you do any thing with it I will furnish the
 necessary papers at Court - Please write me in

Reason -

Yours &c

Daniel Howard
