

Vassalboro March 1. 1834

Bro Stubs

At the Court of Common Pleas holden at Norwich
 week for the County of Somerset on the first Tues-
 day of November 1823 I recovered Judgment
 against Albert Hayford of North Salem, for
 the sum of \$20.63 debt and \$12.59 Cost of suit
 \$100 for 4 Exors issued upon said Judgment which
 Debt I should be glad to get or a part of it
 Now if from these minutes you will make a
 writ and get some faithful officer to attend
 to the same, I will give you 25 per cent on all
 you can collect of him and you may settle
 with him, if he will pay fifty per cent of what
 is now due on said Judgment provided you
 can not secure more - I leave it in any thing
 that will be of service to you and me - I do not
 wish you to make cost for me to pay -

If you do any thing with it I will furnish the
 necessary papers at Court - Please write me in
 season -

Yours &c
 Daniel Howard
