

Dear Sister
I am not able to write
at all is not able to do any thing. is very nervous I
believe. all well on the hill I believe. Phoebe has
not been heard from for some time was well at last
and likes the country when she is very well
Samuel Hicks has been here and remained over
one night. has been to Franklin County to see
a young lady of his acquaintance. had her
finger and his own on the same plate +!!!!!!
don't know whether he is married or not. one thing
I am satisfied of however. and that is. that in
my opinion he has not got over 50 dollars in the world
in first rate condition to commence housekeeping -

Father spends the day yesterday in collecting money
to pay for repairs on the Church. and what is wanting
to make up the remainder of Mr Sawyer's salary
is not quite through yet. but he says he shall
be able to raise he thinks all that will be
required to make up the deficiency -

Mr Sawyer will probably remain another
year. The Deacons of the Church orthodox and
others have been chosen. perhaps you know who
they are. Mr Sewall and Father
I am I have got the whooping cough or
something worse. don't know what - cannot
stop to scribble any more
From Bro George
