

Andover Mar. 8th 1882.

Mr. Plummer:

Dear Sir:

Went to Bear River
to day. Brown is done cutting
logs for you, but have a few
more on the yard, which he will
draw in. Eli F. Stearns
is cutting some logs on ^{Grafton} North
Surplus and hauling about
a half mile below where ours
are landed on Bear River
These logs are marked P. V. M.,
and he told our landing man
that he was to have seven dollars
per thousand. They are cut up
very short. As low as 10^{and} 12
feet ^{long} and I think none over 20.
feet long. You had better look
