

Mr Richardson has a large school for the opening - his wife is Parvathy -

He has not yet notified me whether he will take our house - I expect however he will not. When you will give us some account of the students who are absent & on what account &c - I know nothing certain from Washington as yet - Gen. Tappan has written to W. & had a letter from him. I trust there is some prospect. A man at the Ball on the 4th at Portland, about 10 o'clock in the act of starting to dance fell dead!! The ball went on however!!! People came into another world. We

had a great snow storm here agreeable to my predictions - more than at any one time this winter - have you recd. any money from Stone or the Neal? Bailey has gone to Portland - Dr B. has charge of Geo. now. Mason holds out to be better - has some appetite - John South has gone to Portland - all well there - Love to Sam. & ask him to take good care of you. Respects to Graydon & Pay & Crosby's bill - also Freeman's and never get on to his books or any other in the office - yours - John S. Remond
