

Norway, May 29th 1833.

Sir: I have a small charge against you of \$3.00 for my
fee in the case Cooper v. You, at C. C. P. June Term
1832. I would not call your attention to it at
this time, were I not about closing my business
so as to remove from the State very soon. That
being the case, you will do me a favour by
remitting me the money either by mail or other-
wise & I will promptly send you a receipt.

Yours &c

W. A. Evans.
