Messrs. Warren & Beach Sirs Please

Send me 1 box of Pimento by way
of the R. Road. and write the state
of the market in regard to pork.
We have engaged some few hogs,
but are at a loss to know what price
to pay for them. If you will
inform us concerning pork (the round
hog you will understand) and also
Poultry, so that we may be en-
abled to govern the price under-
standingly, you will confer a
favor on
