

Plymouth September 20<sup>th</sup> 1836

Edg Mather,

Dear Sir as I have conversed  
lateley with my Partners in buying Bismen  
last winter of late and we together thou-  
= ght proper to write you a few lines as  
we are all very much done with work  
at Present,

Know Dear Brother on my  
part I febe safe in summing very  
near to you saying that you <sup>will</sup> grant me  
every Reasonable Desire as Much as possible and  
my Desire is that the last winter business  
could be settled up Dont understand me that  
I am finding any fault, But when we are buying  
about after money on expenses it is not advising any  
thing to a bad winter work to me Mr Jerned  
has Don to Bangor three times I think the first  
time got seven hundred dollars the first time  
Mr Jerned was gon to Boston set at home  
Know if you have the Remainder of  
our Pay in your hands that we be get it  
and the money collected on them notes that  
Hager Jerned hand or Jerned sum of us  
will be and be you I give you to write and
