

Pickman. Feb. 6. 1845.

Dear Sir -

In regard to the
action you brought of T. P. Buel,
vs. Jefferson Hathorn, I would say
that Capt H. is at sea - will not
be at home till after Court - Our prin-
cipal witness is at sea & has been
ever since you brought the suit.

Capt H. requests to
have the action continued till he
returns - he went last fall.

I was at Boat last
week and called at your office
to see you about the action.
I now write to ascertain whether
you will consent to let the ac-
tion be continued at this term
of the Court & go to the June
T. at Topham.

Please write by return
of Mail -

Yrs truly

Esra Abbott
