

Rendee's Mills md Apr 17th 1839

Mr. Mothers

I see Sir I saw T. W. Smith Esq
yesterday at Augustee. who told me he thought
I could trade with you for a lot of logs
I want 200 M and if I get a saw mill
going in June or I expect to I shall want
as much as six hundred M. I want a
lot at first for shingles & clapboards
& I think your logs will work to good
advantage into such lumber
I shall make you as good pay as any one
else - and if you will accommodate
you will oblige yours -

Please to write me and say if I may
expect a lot & oblige yours
