Dear Sir

I improve the present opportunity to inform you that the Ordination which has for some time been expected, will take place on the 20. instant. I shall expect you and Mr. here on that occasion, do not disappoint me. I shall hope to see some of my Br and Sisters here on that occasion. I think that by the 20. of this month you will have finished your saying and I can hardly hope that you will be here. Br Geo. Bates is expected to preach the Ordination message, we expect Br. Burr. Br. Dumb. Br. Dow and many others here at that time.

Further I want you to come over and see what a noble Society I have here, and how zealously they are engaged in the cause of universal redemption, our Meeting house is thronged on the days of Sabbath are next to an overflowing, and our numbers increase every Sabbath, our Brethren flock together here from Phillips. Strong. Framo. Endicott. Thompsonfield and also from Anson. I have calls only to Sabas in different parishes I have been sent to Phillips and to Endicott to Framo by request from different Societies I have many warm friends here and in the adjacent towns.
