Thomas Crowell Esq

Dear Sir yours of July 31st I was
duty bound making enquiry relating to Andrew
M. Rockliff in answer I say there is a man
by that name resides in this Town, he is a
poor man and is now absent from home
to work some where, he has no personal
property that I know of, I am told that he
has some Pitts in seal estate how much
I know not, but from the appearance
of the man I think he would pay if he
had means

Very Respectfully yours &c
