

Hartland Oct 20-1831

<sup>the</sup>  
Dr Daniel Rose Sir I take this opportunity  
to write a few broken lines in my poor  
broken way hoping no offence as I  
am informed you are state agent  
please to inform me if the state has  
any claim to any land in the Town  
of Hartland I am told that the land  
that I now improve has fell to the  
state if that is the case I want  
the refusal of the whole tract  
I want <sup>and as</sup> soon <sup>as</sup> possible and you  
will oblige me in so doing

Yours with respect

Solomon Stafford
