

My kind

Bainham Valley Apr 6 1847

The people who I have purchased  
logs of are now wanting to have  
them sealed. I want Mr Swift should  
be here and see to it if he can

The Ice is fast disappearing and  
therefore the sealing & marking had  
better be attended to forthwith

Many of them want to settle  
with me and I shall have  
to have the logs sealed if Mr  
Swift does not come up

Yours in haste & much
