

I shall be in a hurry I shall come in one
boat and back in the next I shall start the first
chance that I can see my shop it may be within
a few days I must but to work evenings even times before
leave my work I shall like to see much news I never
was in a place where I had self so well I had
from 4 to 6 Dollars for more 125 for puts and vests
I should like to see you see in Journal and tel
him to say Alivia Broun that I want her to come
and work If she will come I will pay the conveyance
and give her good wages If she will come I will let her
to come in the Chatter-sack that stops near my shop
I am in want of more help and I will satisfy you for your
trouble I think I shall be up in the course of a month
tel Alivia pack up If I don't come up in the
course of a month I will send ^{money} what I can
bring him ~~just my~~ my wife sends her best
respect to you and family with the mine I like her to
see Pollard's family and a number of more but it being
meeting time I tend Church every Sunday so can't
stop but those that I can't send my respects
to I hope that a cargo will follow them
all these days which I have no reason to think
other wise It is every day here the cows
are ~~being~~ ^{kept} up on the mine ^{beats} guine and potatoes I should
like for you taste If you get this letter I don't mean
you can find out near this George J. Goodhue

I don't see a frame I but only 55 white taste in
I don't see it even but I will not vent myself well
