

Indian River July 2nd 1851

M^r George Taylor

Sir

I received yours on Saturday
Last Respecting the Julia I am now caulking the
Julia & Martha and I can come any time after 2 Days
Good Weather as I want to caulk the Quarter deck for
the Joiners as they are all be kind I think the weather
that will do for her to come home will be more than
sufficient for me to do what I want here the only
Difficulty there is will be my finding out when she
gets in

Sir My Respects to your Self and Family

Respectfully yours

Wm C. Wilson
