

can in addition - Whitney, your name
is the endorser on my Note and in consequence
of obtaining his endorsement I have endorsed
for him, have been sued on this ~~amount~~
and a portion of my real Estate attached,
but anticipating this result I caused
a writ to be made in your favor some
time in the year 1839 and the amount
of said ^{note} as I thought on his real Estate
in the County of Washington including
the Town of Leavenworth - I do not know
whether Mr Bridges who made the writ
advised you in regard to it or not but
I presume he did not - it was returned
at the July Court at Washburn, July
last ^{at 8 o'clock} continued for trial ~~at~~ July term

You had better advise with Mr Bridges
on the subject as it is necessary for you to
avow the suit before it comes to trial,
otherwise more will be non-suited

Yours respectfully
