

to look after, collect & dispose of the assets in this quarter  
I informed him that you claimed the stump pay  
on your Mortgage - He admitted that there was  
a claim but said Mr Reen informed him that  
there was some counter claim of his which was  
was about equal in amount - The true position  
of this, of course is unknown to me & of course I feel  
bound to hold the funds, until assured to which  
they should be paid -

please inform me by return of mail if  
you wish me to forward you the half of the  
whole and or only your proportion & if the latter  
what that is -

Respectfully yours  
E. D. Green
