I wish you would examine
the records & see as to G. S. Smith's title to the house in
which he lived. You will find a deed from W^m Deming
to G. S. Smith in 1835 or 6 & a mortgage back. I
wish to know if Deming's wife signed the deed & what
subsequent conveyances there have been of the property.
Please make a careful examination as I have purchased
of the house in case the title is good.

Yours
L. P. P.
