

If Ivory has not started yet tell Mother  
I shall be very much disappointed if she does  
not come on with Ivory. When he comes, all the folks  
here are very anxious to see her tell her to be shure  
and come.

Write soon  
Jane

I am not home sick but have been lone some  
some of the time I find this a very pleasant  
family so far should like <sup>to</sup> peep in there some afternoon  
when you are all alone
