

Kennelbunt - Apr. 24. 1842

Geo. W. Leland Esq.
Sir -

Yours of this date requesting
me to send you by return of Mail "a statement
in full" in regard to the principle ^{on} which the
Providence claim of the \$2000. Notes - was allow-
ed - & that Bro' Emory wished "an abstract or state-
ment of the whole case" - ~~to~~ to comply with
Bro' Emory's request would be to make a his-
tory of the whole - for which he has the same
materials that I have - & to give a statement
of the principles of allowance - would re-
quire a recapitulation of the principal
facts of so complicated a case - & probably
different views were taken by the refer-
ees of some of the facts - though coming to
the same result for the whole case - under
these circumstances you will please excuse me in
not sending you the "full statement" you request - be-
side I believe only Mr. Coys. will interest the
various calculations "in full" / in his minutes -
I did not on mine - & I believe Mr. Southgate
