

did not. It was suggested that the facts
in these three cases might be inquired
of ~~off~~ at some future time - & that Mr.

Caswell should make his minutes
full & particular which he did - as he was
the only one of the referees regularly attending
Court where these might be wanted -

if, therefore, there is a intention to have
a rehearing - you had better write to
Mr. C. who will of course be at Court &
request him to take his minutes with
him -

Yours respectfully
