I have got some clothes since I have been here. I got a pr of pants a cap and a coat a making at the tailors now. One of my shoes kinder "gin coat" and I had to ^{get} a new pair.

Mr Hany has been sick for two or three days he has had the doctor to day I believe he has ~~fall~~^{fallen} a way very bad he looks as thin as any thing you ever saw,

I have got two or three letters to write to day. so I must draw this to a close.

I don't want you to delay writing as long as I have but answer this as soon as you get it. I must say good bye

I remain

Your affectionate
