that will have to do the same,
when I was down home I saw Jim Shaw
and he said he owned or had something
to do with a Union Store down to Saco
and that the man that they had
there was going to leave and

they're about six weeks

and they wanted a

boy to take

his place,

and

their purpose very well

but he did not know certain about

it he thought he should know in about

two or three weeks, he saw mother

and she is willing if you are

what do you think?

about it? he said

I would get as

much pay

as I do

now

and board with him

I remain
