

Saco July 1. 1846

Messrs Clap & Bradley.

Dear Sirs. I believe one of my notes becomes due about the first of this month. I believe we made a settlement on the 15th of April if the note was dated then. I shall be in time.

I started one week since to make some collections in Maine: intending to be in season for your note. I will send you 50 dolls. by the middle of next week. the balance week after.

Yours Respectly

Wm. Fitz
