Mrs Hoff Brogo

Genl.

We have measured the 2 ps better carpeting had of you and find them to be sknt. 11 1/2 yds which we have chd you - \$2.65 -

We had of J. W. Blodget to a ps of Denver Carpeting No 12 - Super. if you have the same in medium. we should like for you to send us a ps - they are not Boyles work but the other Mon I do not now recollect his name - This No 12 is about the same clops of color of these two ps that I had of you 62 1/2 - & if I own not mistake you had a ps of Super the same when I was there but you would not sell it less than 75 ¢ & I bought it a trifle less.

Yours truly
