C. J. & J. H. Russell & Bigelow

Gent, yours of the day
is at hand, and its contents noted; I shall
be in Boston by the first train of cars
on Friday, if you can bring the case
on Monday, with suite me best, as I
want to see you before the case
comes on; perhaps it will be of
no use, as I suppose you are all
ready, as you say you are,

Respect yours

Geo. S. Jordan
