

Saco Sept 4, 1869,

Gov. W. A. Hays -

Dear Sir - Will you aid
me in getting in returns by filling up ~~one~~ a
return of your town, and sending it to the
train so I can get it Monday night.
If not sent in time for the mail train,
it may be put into the express train at
North Berwick. I hope to get returns
from every town on Monday night. I think
if my arrangements do not fail. I have
sent ballots for your town, directed to you.

Yrs. truly

A. S. Hanscom.
