Yours of Saturday last
Specie. If these Chubs are mild & rich &
you can find for 6^{ths} actual weight, I will take
about 400 pounds — you can direct all the boxes
to me & just make a \times on half of them
but don't send any unless they are mild & fat
as the common N.Y. Chub. I don't keep.
Yours truly
E. H. H.
